

A Concise Guide to MLA Style and Documentation is an affordable and classroom-tested resource that provides only the information students need most often and -- according to the authors own students -- is easier to use than the actual MLA Handbook. This edition incorporates several major changes from the new MLA Handbook, Seventh Edition. It also has a two-color design, a numbering system, and an index to help students find information quickly and easily. Here students will discover useful advice on gathering sources, compiling notes, summarizing, paraphrasing, quoting properly, and avoiding plagiarism.
