

Stu hears a voice calling him late one night and leaves his house to investigate. He enters an abandoned house down the road and is scared off by a ghost. Stu and Dan go back during daylight and find nothing, but Dan says a boy died fifty years ago at the house, falling from a deck into the steep gorge below. Rumor has it he was pushed by another kid, but the death was declared an accident. That night, Stu returns to the house alone. He meets the ghost of the young boy who was pushed off the deck and the ghost of the murderer. Stu finds himself falling off the deck. The ghost saves his life.
