

When Noah called the zebras out of the Ark, he thought it was empty, but he was wrong! There were still many unusual animals aboard--from zebras to aardvarks. Totally unique, innovative, and involving....This tour de force concludes with a list of the 132 species of animals pictured in the book, including a pronunciation of the difficult ones, along with a line of information about each. Those now extinct or endangered are indicated....From any perspective its a masterpiece.--Horn Book.
