

Color War: The Great Crayon Battle examines the trials and tribulations of eight crayons that just can't seem to get along. After many arguments and insults, the crayons decide to fight it out, but this war doesn't involve any guns or violence. The crayons battle royale has to do with flinging paint at each other in the quest to prove which color is truly the best. The crayons get a big surprise and learn a valuable lesson when after the fight they see they have created a beautiful picture that they each contributed to. The crayons become friends and go on to spend their days making art, not war.
