

Millions of Americans, bored by dull textbooks, are in the dark about the most significant event in our history. Now New York Times bestselling author Kenneth C. Davis comes to the rescue, deftly sorting out the players, the politics, and the key events-Emancipation and Reconstruction, Shiloh and Gettysburg, Generals Grant and Lee, Harriet Beecher Stowe-and much more. Drawing on moving eyewitness accounts, Davis includes a wealth of hidden history about the roles played by women and African Americans before and during the war, along with lesser-known facts that will enthrall even learned Civil War buffs. Vivid, informative, and hugely entertaining, Dont Know Much About the Civil War is the only audiobook youll ever need on the war that never ended.

The Dangers of British India, From French Invasion and Missionary Establishments (Classic Reprint), Die Erforschung des Insektenflugs mit Hilfe neuer Fang- und Me?gerate: Der Nachweis von Blattlausen (Homoptera, Aphidoidea, CB.) im Park des Museums ... Landes Nordrhein-Westfalen) (German Edition), A One-Eyed Horse in a One-Horse Town, Bathroom Crime Puzzles, K istorii izdani maloruskikh istoricheskikh piesen (Russian Edition), Wolves (Animal Predators),
