

Mackey examines the popular belief among scholars of his day that the rites of Freemasonry are remnants of ancient Druids ceremonies, or that at the very least the ceremonies of the two share a common origin, such as the pagan mysteries, travelling Buddhists, or perhaps the Phoenicians. In doing so, he gives an excellent history lesson on who the Druids were and what their initiation ceremonies were like. Whether the modern Freemasons choose to subscribe to this belief or not, he will likely notice some compelling similarities, which may be difficult to explain away - although, it becomes evident that Mackey, himself, succeeds at this.

Ensayo sobre el catolicismo, el liberalismo y el socialismo (Spanish Edition), Emilie du Chatelets Institutions physiques: Uber die Rolle von Prinzipien und Hypothesen in der Physik (Frauen in Philosophie Und Wissenschaft.
