

Here and There with the S.P.G. As in the case of the other volumes, so here, no attempt has been made to describe at all fully any part of the Society's work in India, still less that of other Missionary societies, but the book consists of short sketches intended to illustrate the different kinds of work which the S.P.G. is carrying on at the present time in India. The Society is indebted to the Rev. Herbert Moore for the Compilation of the book. The several chapters have been carefully read and corrected by missionaries familiar with the different Missions described. C. H. R.
