

Historian Eric Hobsbawm is possibly the foremost chronicler of the modern age. His panoramic studies of the nineteenth and twentieth centuries, stretching from the French Revolution to the fall of Soviet communism, have informed the historical consciousness of scholars and general readers alike. At the same time, his writings on labour movements and socialist politics have occupied a central place in left-wing debates. Despite this, no extended study of Hobsbawm's work has yet been attempted. Gregory Elliott fills this gap in exemplary fashion. Elliott analyses both the scholarly record of Hobsbawm and the intellectual and political journey that his life represents. In doing so, he seeks to situate Hobsbawm's thought within the context of a generalised crisis of confidence on the Left after the fall of the Berlin Wall. Rich in content and written in Elliott's authoritative and highly readable style, this book is a must for anyone with an interest in Hobsbawm and the crisis of the Left.

Troubletwisters (Playaway Children), From the Stones: A Colleen Broadhurst Adventure (1), Pediatric Fractures and Dislocations, Health Through New Thought and Fasting, Supervision in Clinical Practice: A Practitioners Guide, Treasury of the Art of Living, Smart Bites for Baby: 300 Easy-to-Make, Easy-to-Love Meals that Boost Your Baby and Toddlers Brain, Dead As A Doornail (When The Fat Ladies Sing Cozy Mystery Series Book 3),

The book Hobsbawm: History and Politics, Gregory Elliott is published by Pluto Press.

Hobsbawm was a chronicler of revolutions, labour history, Empire, and a political journey, and encompassing the extraordinary historical events that. Its purpose explicitly seeks to explain the relation between his life, his politics and his history, with a consequent focus upon Hobsbawm's status.

Eric John Ernest Hobsbawm CH FRSL FBA was a British historian of the rise of . Historians Group from until its demise and subsequently president of its successor, the Socialist History Society until his death. 'To anyone who loves history Eric Hobsbawm's death is very sad news' and once he had made his political choice, he stuck with it his entire.

Eric Hobsbawm's essays on today's politics are unconventional and been a formidable presence in the historical profession since the s. This motivation remained strong until the s, before a massive political and ideological reaction against Marxism began. Its main effect has.
