

If I Were A Superhero is the story of an eight-year-old boy who daydreams about saving the day with his super powers (if he had them). In his mind he goes from fighting intergalactic evildoers, to being a good citizen and helping out at home. All he wants to do is be a superhero and help others...while having a little fun too! The little boy is full of good intentions and from his perspective, even if he makes some mistakes, people will still love having a hero like him. The book is suitable for children from 2nd to 5th grade.

â€œIf I were a superhero, my name would be the Sock Puppet Master. I would be in control of all of the sock puppets and help the world be a better. If you could be a super hero, what powers would you like to possess?.

If I was a super hero, I'd want to be Wolverine for many reasons. One reason I'd want to be Wolverine is because I would have claws that come. â€œIf I was a Superhero, I would be Batman, and my first mission would be to go around giving awesome presents to underprivileged children in.
