

The Stock Photo Deskbook is an international address, phone and fax directory. It is a true source directory with more sources than any other source book. The 6th edition contains over 375 listings for North American Stock Agencies, 1330 Individual North American Sources, 1725 Foreign Sources, 459 Government, Business and Trade Association Sources, 394 Museum Sources and 167 Picture Researchers. Over 4500 indexed sources at your fingertips.

Separate Source Name and Subject Matter indexes lead directly to a numbered entry to facilitate location of data on sources.
