

This book includes his Complete Hay Health System, his cure for diabetes, re-vitalizing the kidneys, clearing up the skin, how to lower your blood pressure without costly or destructive drugs, how to free yourself from constant fatigue and create vitality. This renegade doctor was one of the first to come out against the medical profession and claim nutrition before medicine & prevention before curing was the real road to health. William Hay, M.D. practiced surgery for 16 years in the conventional way, until he himself developed acute kidney disease and high blood pressure. In an effort to regain his own health he came to study the causes of disease. Once he discovered what is now known as the Hay Health System and cured him self - so completely that he was able to qualify and be accepted for life insurance - he turned to offer this incredible system to the world.
