

One day in March 1969, twenty-three-year-old Jane Mixer was on her way home to tell her parents she was getting married. She had arranged for a ride through the campus bulletin board at the University of Michigan in Ann Arbor, where she was one of a handful of pioneering women students at the law school. Her body was found the following morning just inside the gates of a small cemetery fourteen miles away, shot twice in the head and strangled. Six other young women were murdered around the same time, and it was assumed they had all been victims of alleged serial killer John Collins, who was convicted of one of these crimes not long after. Jane Mixer's death was long considered to be one of the infamous Michigan Murders, as they had come to be known. But officially, Jane's murder remained unsolved, and Maggie Nelson grew up haunted by the possibility that the killer of her mother's sister was still at large. In an instance of remarkable serendipity, more than three decades later, a 2004 DNA match led to the arrest of a new suspect for Jane's murder at precisely the same time that Nelson was set to publish a book of poetry about her aunt's life and death - a book she had been working on for years, and which assumed her aunt's case to be closed forever. *The Red Parts* chronicles the uncanny series of events that led to Nelson's interest in her aunt's death, the reopening of the case, the bizarre and brutal trial that ensued, and the effects these events had on the disparate group of people they brought together. But *The Red Parts* is much more than a true crime record of a murder, investigation, and trial. For into this story Nelson has woven a spare, poetic account of a girlhood and early adulthood haunted by loss, mortality, mystery, and betrayal, as well as a subtle but blistering look at the personal and political consequences of our cultural fixation on dead (white) women. The result is a stark, fiercely intelligent

LES FLEURS DU MAL, Handbook of Islamic Banking (Elgar Original Reference), Perfectly Paleo - Breakfast and Vegetarian Cookbook: Indulgent Paleo Cooking for the Modern Caveman, Innovations for Shape Analysis: Models and Algorithms (Mathematics and Visualization), Dramen: Die zehn Alter dieser Welt / Der Nollhart / Der Gauchmatt (German Edition), Der Rosenkavalier, opera, Op.59: Oboe 2 part [A6177], Another Shot: How I Relived My Life in Less Than a Year,

The Red Parts is one of her more straightforward works. It is a memoir of the trial of the man accused of murdering Nelson's aunt, a crime committed before. "The Red Parts," Maggie Nelson's memoir of her aunt Jane's killing, which was one in a series that was labeled "the Michigan Murders," opens. Buy *The Red Parts: A Memoir* by Maggie Nelson (ISBN:) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

"[Maggie Nelson's *The Red Parts* is] an enthralling personal first-time-in-paperback, a genre-busting memoir by a major American essayist. Author Maggie Nelson's aunt was murdered decades ago. Her new book chronicles the trial that ensues when the old, cold case is reopened. The grisly Michigan murder of year-old law student Jane Mixer is evocatively re-examined here by her niece, poet Nelson, in light of.

If you've read Nelson's brand of memoir before (though, like she said, she doesn't prefer the term), this will come as no surprise. *The Red Parts*.

But *The Red Parts* is much more than a true crime record of a and beautifully written memoir that poses vital questions about America's. The book, originally published in and newly reissued, has a hook that could only ever work in nonfiction. *The Red Parts: A Memoir*. Author: Nelson, Maggie, Personal Author: Nelson, Maggie, Publication Information: New York: Free Press, []. Now two of Nelson's earlier books "The Red Parts and *Bluets*" are come at

autobiography from a different angle from the prose memoir.â€•. week, the seminar read The Red Parts: A Memoir and completed the second writing assignment. If you didn't get a chance to read The Red [].
