

When private investigator Justin Wade takes on socialite Susan Berns as a client, he doesn't anticipate falling in love or jumping deep into a murder investigation. Originally hired to find Susan's missing husband and jewelry, he discovers one piece is the famous Romanov Star, designed by Peter the Great and among the missing jewels the famous Romanovs owned at the time they were murdered. The investigation volleys between Naples, Florida and the Boston suburb of Revere, Massachusetts. Along with Wade, Russians and wealthy jewelry collectors are hot on the trail of the necklace and will go to any extent to get their hands on it before he does. Fraught with deception, theft and murder, the story keeps readers in suspense from page one to the end.
