

Alison Demarcos THE SIGNATURE FROM TIBET is a powerful yet heartwarming tale of a spiritual awakening that follows the lives of four primary characters across two continents. The Soldier, Pembuti, Anne, and Palden as they interweave in a most profound manner, reaching into the distant past and culminating in the present. In THE SIGNATURE FROM TIBET, storyteller Demarco {author of DARK STORM, GOLDEN JOURNEY & LOMANDSS AWAKENING} takes readers beyond the mundane, temporal world, and challenges them to consider: Have we all lived before? Are we all governed by destiny? Are our spiritual paths all interconnected beyond what we can imagine? And are there really any such coincidences? An epic adventure based on a true story, THE SIGNATURE FROM TIBET seeks to not only inform and entertain readers, it aims to stir the imagination and awaken the spirit in us all accomplishing this quite masterfully! Lady Crawford reviewed Demarcos First Book: DARK STORM, GOLDEN JOURNEY saying this: I loved this book and its honesty, it was great to share Alisons experience and journey. However, I now believe she is back doing a mainstream job, which made me feel disappointed, although if this is what she has chosen, it is definitely the right path for her to take. Well Lady Crawford your wish is granted. THE SIGNATURE FROM TIBET is here.
