

This ebook contains the sheet music for The Star Spangled Banner, written by Francis Scott Key and arranged for beginning musicians playing the trumpet. The notes are scored in a way that they should be playable by most beginning musicians in their first two years of music instruction. If the normal melody of the song travels outside of the easy playing range on the instrument then alternate notes have been provided. Simply play the top or bottom note and the song will still sound very close to the original. This arrangement of the Star Spangled Banner has been arranged in the key of concert B-flat Major. The music in this ebook can be played as a unison duet with someone else playing on any common concert band instrument if that student uses the ebook that corresponds to his or her instrument.
