

As the title says this book is a Collectors Edition of The Tales of Vanity Bench series. It includes both novelettes Roommates & Lovers, and Lawyers & Lovers. The vanity bench, and the story behind it became the impetus for the main character and series title. I acquired the bench at an auction, and the owner happened to be there. He is a professional photographer, and he told me that the bench had actually been used in a advertising piece shot for Victorias Secret. The photo used for the cover of Lawyers and Lovers is one of the shots from the actual VS shoot. That along with the image of the two women on the cover of Roommates & Lovers, which gave me the idea for the era to set the story in. As for the use of pun type names for both people and places, I decided that if you are going to have a main character with a name of Vanity Bench, then why not make all of the names and places either puns or parodies. I hope you enjoy these book, while they still fall under my normal genre of Lesbian Romance and Erotica, I felt that a little humor added in might give everyone a laugh or two.

A Critical Fable, Testing the Power of Technical Analysis for Forecasting Market Trend, Luchana (Episodios Nacionales: Tercera Serie / National Events: Third Series) (Spanish Edition), Hark! The Herald Angels Sing(Flute Part) - Choral Sheet Music, CATALOGUE NO. 7, A Short History of Chinese Philosophy, Kenya: The Struggle for Democracy (Africa in the New Millennium), The Morals of Modernity (Modern European Philosophy), My Little Yellow Book (My Little Color Library),

Petty, from Florida, took the gaffe in good humour and tweeted a photo of the chair as a cautionary tale, to remind herself to pay closer attention.
